TITLE 2. STATE ALLOCATION BOARD

NOTICE OF PROPOSED REGULATORY ACTION

THE STATE ALLOCATION BOARD PROPOSES TO AMEND
REGULATION SECTION 1700, SUBGROUP 3.5, TITLE 2, CALIFORNIA CODE OF
REGULATIONS, RELATING TO SURPLUS SCHOOL PROPERTY; USE OF PROCEEDS

NOTICE IS HEREBY GIVEN that the State Allocation Board (SAB) proposes to amend Regulation Section 1700, Subgroup 3.5, Regulations Relating to Surplus School Property; Use of Proceeds, contained in Title 2, California Code of Regulations (CCR). A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to the Office of Public School Construction (OPSC) no later than 15 days prior to the close of the written comment period. Following the public hearing, if one is requested, or following the written comment period if no public hearing is requested, the OPSC, at its own motion or at the instance of any interested person, may adopt the proposals substantially as set forth above without further notice.

AUTHORITY AND REFERENCE CITATIONS

The SAB is proposing to amend the above-referenced regulation section under the authority provided by Section 17462 of the Education Code. The proposal interprets and makes specific reference to Sections 17462 and 17463.8 of the Education Code.

INFORMATIVE DIGEST/POLICY OVERVIEW STATEMENT

Education Code Section 17462 requires school districts to use the funds derived from the sale of surplus property for capital outlay purposes or maintenance of school district property. Senate Bill (SB) 1415, Chapter 810, Statutes of 2006 (Scott), amended this Section to prohibit school districts from using the site sale proceeds for any general fund purposes, and added the restriction that the proceeds be spent only for one-time expenditures and not for ongoing expenditures nor general operating expenses.

The SAB adopted regulations to implement SB 1415, which were approved by the Office of Administrative Law and filed with the Secretary of State on August 2, 2007.

The SAB, at its May 28, 2008 meeting, amended the definition of "Ongoing Expenditures" in the regulations in order to ensure a fiscally sound procedure for the use by school districts of

proceeds from the sale of surplus school sites for a one-time funding of an under-funded health or retirement program other than pensions, in conformance with SB 1415. The proposed amendment sets forth specific guidelines for such a one-time payment by a district toward reducing its existing unfunded liability for post-employment benefits other than pensions, as determined using actuarial measurement methods defined in the Governmental Accounting Standards Board Statement 45 (GASB 45). GASB 45 guides districts to account and report for the annual cost of post-employment benefits other than pensions in the same manner as districts currently do for pensions.

IMPACT ON LOCAL AGENCIES OR SCHOOL DISTRICTS

The Executive Officer of the SAB has determined that the proposed regulation does not impose a mandate or a mandate requiring reimbursement by the State pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code. It will not require local agencies or school districts to incur additional costs in order to comply with the proposed regulation.

ECONOMIC IMPACT

The Executive Officer of the SAB has assessed the potential for significant adverse economic impact on businesses or private persons that might result from the proposed regulatory action and the following determinations have been made relative to the required statutory categories:

- The SAB has made an initial determination that there will be no significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.
- There will be no impact in the creation or elimination of jobs within the State, the creation of new businesses or the elimination of existing businesses or the expansion of businesses in California.
- The SAB is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.
- There will be no non-discretionary costs or savings to local agencies.
- There will be no costs to school districts except for the required district contribution toward each project as stipulated in statute.
- There will be no costs or savings in federal funding to the State.
- There are no costs or savings to any State agency.
- The SAB has made an initial determination that there will be no impact on housing costs.

EFFECT ON SMALL BUSINESSES

It has been determined that the adoption of the regulation section will not affect small businesses in the ways identified in subsections (a)(1)–(4) of Section 4, Title 1, CCR. This regulation only applies to school districts that make the determination to utilize this method of funding health or retirement programs.

AVAILABILITY OF THE FINAL STATEMENT OF REASONS

Upon its completion, the Final Statement of Reasons will be available and copies may be requested from the agency's regulation coordinator named in this notice or may be accessed on the Web site listed above.
